

## CONTRACTOR SERIES WATER SOFTENERS

Contractor Series water softeners from Watco are designed to effectively treat most common hard water problems found in either municipal or well water sources. The Contractor Series models are affordable and efficient to operate in removing unwanted hardness and minerals from your household water.

- **Corrosion-Resistant Construction.** The entire system utilizes stainless steel, fiberglass, and polyethylene so rust and corrosion are eliminated.
- **Heavy-Duty Brine Maker.** Hefty 200 pound salt capacity minimizes frequency of salt refill.
- **Meter Regeneration.** Monitors water usage and initiates regeneration according to the water volume consumed.
- **Rugged Motorized Piston Control Valve.** Provides years of dependable service. Can be programmed to handle severe hardness, yet provide maximum salt efficiency.
- **Safety Brine Valve.** Prevents messy overflow of brine tank during power outage or system malfunction.
- **Salt Support Platform.** Allows the use of any type of water softener salt. Minimizes "salt mushing" and necessity of frequent cleaning.

- *Cleaner Laundry*
- *Sparkling Dishes*
- *Protects plumbing*
- *Affordable*

Model Number	Grain Capacity		Type of Regeneration	Service Flow Rate (gpm)		Overall Height (Inches)	Salt Storage (lbs.)	Pipe Size
	Max.	Min.		Peak	Service
